

3M FA039 Matte Clear Acetate Label Products

Category : Polymer , Adhesive

Material Notes:

3M™ Matte Clear Acetate Label Products offer consistent, high quality film appearance. This film die-cuts easily which helps extend die life in comparison with polyester label stocks. These acetate labels utilize 3M™ Adhesive P1212, which is a high clarity general purpose acrylic emulsion for use on overlamination and decorative films that exhibits good initial tack, excellent die cutting properties, minimal cold flow, and good UV resistance.
