

## 3M Safety-Walk™ 770 Gray Coarse Tapes and Treads

Category : Polymer , Adhesive

**Material Notes:**

Extra-large mineral particles and durable construction provide additional slip resistance in extreme conditions. For extreme, heavy traffic areas Extra-large abrasive mineral particles help provide a stable slip-resistant surface even in the presence of water or oil High performance adhesive creates excellent bond to most surfaces An open abrasive pattern resists clogging and reduces clean up time Applications: construction vehicles, ship and plane decks, trains, semi-trailers, oily wet areas, platforms and ramps, machine shops, agriculture and forestry equipment, recreational vehicles Information provided by 3M
