

3M Scotch® 824 Pouch Tape

Category : Polymer , Adhesive

Material Notes:

Scotch® Pouch Tape 824 is a pressure-sensitive tape with a bright, orange boarder on all four edges, and a non-tack "see-through" central rectangle, which provides a quick, simple, highly visible, and secure method of attaching and protection packing lists and other documents to a wide range of boxes and shipping containers. When folded in half, adhesive to adhesive, it becomes a small parts packet. The specially formulated adhesive and tough 3M™ Scotchpro™ film backing gives excellent holding power to a variety of surfaces and is moisture resistant. Comes in convenient roll form, which means no liner to remove. Information provided by 3M
