

3M Scotch-Weld™ TL90 Threadlocker Anaerobic Adhesive

Category : Polymer , Adhesive

Material Notes:

3M™ Scotch-Weld™ Threadlocker Anaerobic Adhesives are one-component anaerobic adhesives that cure and seal threaded assemblies that meet a wide range of applications to prevent vibration loosening and/or leakage. All products provide excellent vibration, corrosion, and shock resistance. Engineered to provide different strengths, temperatures, nut/bolt sizes, and other requirements, some threadlockers allow removal and meet various selections depending on the specific application. TL90 is a low viscosity to provide a wicking action, medium strength threadlocker that locks and seals small compression and ferrule fitting with service temperature up to 400°F. It is useful for pre-assembled parts. Information provided by 3M
