

3M Scotchcal™ IJ65 Perforated Window Graphic Film

Category : Polymer , Film

Material Notes:

Film IJ65 is an intermediate, 6-mil vinyl film with a 50% die-perforated pattern and a removable, pressure adhesive. This film allows a full image to be seen on the outside of a window while allowing viewing through architectural and non-regulated vehicle windows from the inside. This short-term film is intended for solvent and UV inkjet printing and screen printing. Information provided by 3M
