

3M XG5110 General Purpose Double Coated Tape

Category : Polymer , Adhesive

Material Notes:

3M™ X-Series Industrial Attachment Tapes offer a variety of performance characteristics and product construction to support demanding application requirements. This product line provides a range of adhesive transfer and double-coated tapes designed for attachment of paper, corrugated, films, foils, fabric plastics and metal. Double Coated (DC) tapes provide a backing for improved handling. Adhesive Transfer Tapes (ATT) provide the thinnest bold lines. The 3M™ X-Series Tape System is manufactured in the United States by 3M. Information provided by 3M
