

Abatron AboSeal 8104-16 Acrylic-Latex Based Sealant and Caulk

Category : Polymer , Adhesive , Thermoset

Material Notes:

AboSeal 8104-16 is 80% solids and acrylic-latex based. It comes as one package and in most colors. It has low odor, bonds to a wide range of dry or wet materials without primer, and is quick drying. It is paintable within 30 minutes and stable over one year. It has excellent gunnability, retention of adhesion, flexibility, and color after many years. It also does not sag on vertical surfaces.
