

Abatron Water Epoxy Floor Coating System

Category : Polymer , Adhesive , Thermoset , Epoxy , Epoxy Adhesive

Material Notes:

The Water Epoxy Floor Coating System combines beauty, durability, slip resistance, ease of application, and water resistance. Its other features and benefits include low odor on installation, easy maintenance, and unlimited standard and custom color options. The high gloss system is ideal for hospitals, playrooms, utility rooms, basements, and high-traffic walking surfaces. It is recommended for indoor use. The system includes a colored base coat, vinyl color chips, and an acrylic topcoat.
