

Blue River Coatings Pow`R Cleaner

Category : Polymer , Adhesive , Thermoset

Material Notes:

BLUE RIVER COATINGS POW'R CLEANER is a non-butyl, water soluble, liquid detergent, concentrated degreaser and general purpose cleaner. POW'R provides a triple effect for most cleaning situations. First, POW'R uses a combination of detergents that work synergistically to remove dirt and grime. Second, POW'R attacks both petroleum and food greases aggressively. Third, POW'R contains a powerful odor neutralizer that helps combat foul odors. Care should be taken when working around glass and aluminum surfaces. Strong solution may cause etching. Environmental Advantages: BLUE RIVER COATINGS POW'R CLEANER is a blend of degreasers, detergents, and emulsifiers for easy diluting with water. POW'R cleaner is an excellent product for the removal of food grease, oil, gums, asphalt, petroleum deposits, waxes and tars residues. POW'R cleaner quickly dissolves soiled areas allowing them to be rinsed with water. POW'R cleaner can be disposed in a landfill in accordance with local, state and federal regulations. Characteristics: Excellent petroleum product remover
Excellent food grease remover
Can be applied in a wide variety of temperature and humidity conditions
Water is used for clean-up
Non-Hazardous Shelf life of 1 year
Non-Flammable Uses
Walls/Doors
Appliances
Tile
Plastic and Vinyl
Rubber
Engines
Construction Equipment
Concrete floors
Cleaning of garbage containers
Cleaning of grease traps
Industrial/mechanical rooms
Machine shops
