

Borealis Steripeel™ WE150CF PO Compound for Sterilizable Peelable Film Applications

Category : Polymer , Film , Thermoplastic

Material Notes:

Steripeel WE150CF is a slip and antiblock agent formulated film resin. It is suitable for the manufacturing of unoriented peelable cast films on chill roll process. Steripeel WE150CF is suitable for various peelable applications including pre-cooked food packaging, retort food packaging, instant food packaging, dessert food packaging, lamination film, retort pouches, and lidding film. Information provided by the Manufacturer.
