

ChevronTexaco 22 White Oil

Category : Fluid , Lubricant , White Mineral Oil (WMO)

Material Notes:

Texaco White Oils 22 delivers value through: Nonstaining – Colorless, odorless, tasteless and nonstaining. The purity of Texaco White Oil 22 makes it the preferred choice for applications calling for a clean, nonstaining oil. Rust protection Texaco White Oil 22 is a technical grade white oil processed from paraffinic oil. Mixtures of paraffinic and naphthenic hydrocarbons, it is virtually free of nitrogen, sulfur, oxygen, and aromatic compounds. It approaches the quality requirements of a good grade white oil. Texaco White Oil 22 is recommended for applications requiring a nonstaining, light viscosity oil. Recommendations include: Textile industry, such as twister rings, sewing and knitting machines Paper industry, as a slitter oil Other industries which require a nonstaining oil Typical test data are average values only. Minor variations which do not affect product performance are to be expected in normal manufacturing. CPS Number: 220537; MSDS Number: 10324
