

## ChevronTexaco 40 White Oil

Category: Fluid, Lubricant, White Mineral Oil (WMO)

## **Material Notes:**

Texaco White Oils 40 delivers value through: Nonstaining — Colorless, odorless, tasteless and nonstaining. The purity of Texaco White Oil 40 makes it the preferred choice for applications calling for a clean, nonstaining oil. Texaco White Oil 40 is a colorless, odorless, tasteless mineral oil that is virtually free of nitrogen, sulfur, oxygen, and aromatic hydrocarbons. It contains Vitamin E, a natural antioxidant, to protect quality during handling and storage. It is clear, bright, and free of solids and water. Texaco White Oil 40 is recommended for applications requiring a nonstaining, light viscosity oil. Recommendations include: Textile industry, such as twister rings, sewing and knitting machines Paper industry, as a slitter oil Other industries which require a nonstaining oil Texaco White Oil 40 meets U.S. Pharmacopeia (USP) requirements for mineral oils. Typical test data are average values only. Minor variations which do not affect product performance are to be expected in normal manufacturing. CPS Number: 220538; MSDS Number: 10324
