

ChevronTexaco Delo® ESI® Trans Fluid

Category : Fluid , Lubricant

Material Notes:

FeaturesChevron Delo Trans Fluid ESI is a premium grade, heavy duty truck manual transmission fluid formulated with ISOSYN™ base stocks and compounded with a unique extreme pressure additive utilizing an inorganic borate compound. It also contains oxidation, corrosion, rust, and foam inhibitors. This product is ideally suited for transmissions exposed to extremely high temperatures and loads.**Applications**Chevron Delo Trans Fluid ESI is recommended for use in heavy duty manual transmissions. Its outstanding low temperature flow properties and high viscosity index provides superior all-weather, year-round performance in heavy duty truck transmissions. Its use permits easy shifting in cold weather and less wear during startup as well as providing for potential fuel economy. Its exceptional thermal and oxidation stability, and antiwear performance, permit longer transmission life and extended drain intervals. Chevron Delo Trans Fluid ESI is the only nonsynthetic transmission fluid approved for Eaton's 750,000 mile extended warranty program (Eaton PS-081)
