

ChevronTexaco Doro® AR SAE 30

Category : Fluid , Lubricant

Material Notes:

Texaco Doro AR delivers value through:Wear protection – Contains alkaline reserves which protect against acids formed by combustion.Cleanliness – Detergent properties ensure a clean Crankcase, piston interiors, and lubricating oil lines.Corrosion and rust protection – Additives protect critical engine parts from rust and corrosionTexaco Doro AR is a premium diesel engine oil.It is manufactured from highly refined mineral oil base stocks with an additive package that provides excellent protection against wear, corrosion, rust and foaming.Texaco Doro AR is recommended for the Crankcase lubrication of large, low speed crosshead type marine engines.It meets the Wartsila-NSD (Sulzer), MAN-D&W, and Mitsubishi crosshead engine system oil requirements.Typical test data are average values only. Minor variations which do not affect product performance are to be expected in normal manufacturing. CPS Number: 222241; MSDS Number: 8913
