

## ChevronTexaco Havoline® DOT 3 Brake Fluid

Category : Fluid , Lubricant

**Material Notes:**

Havoline Brake Fluid DOT 3 delivers value through: good brake response, long fluid life, minimal leakage. Havoline Brake Fluid DOT 3 is a non-petroleum, automotive brake fluid designed for use in conventional hydraulic brake and clutch systems operating under moderate service conditions. Havoline Brake Fluid DOT 3 is recommended for hydraulically operated motor vehicle brakes systems, both drum and disc types, requiring a DOT 3 fluid, operating under moderate service conditions. It is also suitable as a makeup or service refill of systems requiring DOT 3 or SAE J1703 fluid. Typical test data are average values only. Minor variations which do not affect product performance are to be expected in normal manufacturing. CPS Number: 222204; MSDS Number: 9023
