

ChevronTexaco PRO-GARD® Fuel Injector Cleaner

Category : Fluid , Lubricant

Material Notes:

FeaturesEngines that are sensitive or in severe service can have performance problems caused by fuel injector deposits. Improvements in gasoline that became mandatory January 1, 1995, may not solve all of these problems. Chevron PRO-GARD Fuel Injector Cleaner with its exclusive Chevron TECHRON® technology can remove deposits from clogged fuel injectors in one tankful. Fuel injector deposits at the injector tip can impact fuel flow, upsetting the air/fuel mixture. The symptoms of these deposits can be:Hesitation or stumble during accelerationLoss of powerIncreased emissions of hydrocarbons and carbon monoxideChevron PRO-GARD Fuel Injector Cleaner can clean up these deposits in one tankful.**Applications**Chevron PRO-GARD Fuel Injector Cleaner is designed for all carbureted or fuel injected spark ignition engines.Safe to use every 1,000 miles or as needed to keep fuel injectors cleanNot recommended for air-cooled two-stroke engines.TECHRON and PRO-GARD are registered trademarks of Chevron Corporation.
