

ChevronTexaco Superla® 35 White Oil

Category : Fluid , Lubricant , White Mineral Oil (WMO)

Material Notes:

FeaturesChevron Superla White Oils are colorless, odorless, tasteless mixtures of saturated paraffinic and naphthenic hydrocarbons that span a viscosity range of 50-625 SUS at 100°F. These nearly chemically inert oils are virtually free of nitrogen, sulfur, oxygen and aromatic hydrocarbons. Chevron Superla White Oils contain Vitamin E, a natural antioxidant, to protect quality during handling and storage. They are clear, bright, and free of solids and water.

ApplicationsChevron Superla White Oils find wide application:where direct food contact may occurwhere prolonged contact with human skin is necessarywhere odor and staining must be minimizedwhere outstanding long service under adverse conditions is requiredChevron Superla White Oils must be stored in approved containers to prevent contamination that could jeopardize their food grade status.
