

Dow Corning 1593 CLEANER/PRIMER

Category : Polymer , Thermoset , Silicone

Material Notes:

Dow Corning 1593 Cleaner/Primer is a clear, surface cleaner that improves the adhesion of Dow Corning® brand silicone building sealants to many porous and nonporous construction substrates. This dilute solution of surface-reactive materials is formulated in an organic-modified inorganic polymer and is used where regulation of volatile organic content and health care concerns may restrict the use of conventional organic solvent-based primers. Information provided by Dow Corning
