

## Dow Corning 2-8203 SILICONE EMULSION

Category : Other Engineering Material , Additive/Filler for Polymer

### Material Notes:

Dow Corning 2-8203 Emulsion is an amidofunctional siloxane microemulsion suitable to provide a "Fabric Care" benefit for rinse cycle fabric softeners. The use of this product provides softness, water absorbency, and ease of ironing when compared to conventional rinse cycle fabric softener compositions. Information provided by Dow Corning
