

## Henkel Turco Metal Glo FF Jet Metal Brightener

Category : Fluid , Solvent

**Material Notes:**

Turco Metal Glo FF is a nonflammable, non-fluoride, acid based cleaner, brightener, deoxidizer and prepaint conditioner for aluminum.

Turco Metal Glo FF contains viscosity builders that allow for added contact time, enabling this product to remove corrosion products from horizontal and vertical surfaces. Cleaning with deoxidizing produces a chemically clean (water-break free) and streak-free

surface. Application: Aircraft Depaint & Repaint
