

Michelman® Resisto Coat,ç 39AF Abrasion resistance coating

Category : Fluid , Other Engineering Material , Additive/Filler for Polymer

Material Notes:

Description: Abrasion resistance coating
Usage: Resisto Coat,ç 39AF provides excellent, economical abrasion protection. It is used throughout the appliance industry as a protective finish on cornerposts and top pads. This product is hot melt gluable only.
Application Data: Resisto Coat,ç 39AF can be corrugator applied, but it is often sprayed (corner posts) or applied with a roller coater (partitions).
Resisto Coat,ç is typically used on: Cornerposts; Top pads; Inner packing; and Partitions
Food Contact Information when manufactured in the USA: FDA:175.105: Components of adhesives.176.170: Components of paper and paperboard in contact with aqueous and fatty foods. (Restricted) 176.180: Components of paper and paperboard in contact with dry foods.
