

## Pau Tai Avanstab TM-3820 Organotin Stabilizer Butyl Thiotin

Category : Other Engineering Material , Additive/Filler for Polymer

### Material Notes:

Is a medium priced liquid sulfur-containing tin stabilizer, especially recommended for single and multiscrew extrusion of potable water, sewer, irrigation pipe and telephone duct. It is particularly effective in rigid PVC form core pipe and foamed profile. Avanstab TM-3820 stabilizer meets the specifications of NSF approved for potable water applications. Information provided by Pau Tai Industrial Corp.
