

Permabond CleanerA Surface Cleaner

Category : Fluid , Solvent

Material Notes:

Permabond Cleaner A is a general purpose industrial cleaner for cleaning and degreasing surfaces prior to bonding with any Permabond adhesive. Where surfaces are greasy or dirty, wiping with CLEANER A will help produce a suitable surface for bonding. CLEANER A is available as an aerosol spray for ease of application and has been developed to be simple and easy to use, helping to ensure that components are clean, even when the bond area is difficult to access. Information provided by Permabond.
