

Silberline Sparkle Silver[®] 3000-AR

Category : Other Engineering Material , Additive/Filler for Polymer

Material Notes:

Sparkle Silver[®] 3000-AR is a medium, high sparkle, brilliant, non-leafing aluminum pigment popular for solvent Automotive Applications. It shows exceptional resistance to spotting when incorporated into paint finishes that are subjected to a variety of environmental conditions such as; industrial fumes, tree sap, and bird droppings. This pigment can be used with tints to produce a wide range of polychromatic effects. Applications: Automotive
