| Physical Properties | Metric | English | Comments |
|---------------------|-------------|-------------|----------|
| Molecular Weight | 125.9 g/mol | 125.9 g/mol | |

| Descriptive Properties | Value | Comments |
|------------------------|---------------------|-----------------------------|
| Appearance | Powder, Crystalline | |
| Color | white | |
| Composition | >98% | Potassium tetrafluoroborate |
