

## Solvay MACKCONDITIONERâ„¸ CBS Surfactant

Category : Fluid

**Material Notes:**

**Product Description:** Mackconditioner CBC is a ready to use pastilled conditioning concentrate that allows for an easy single-step process to manufacture high quality conditioners. It only requires dispersion in hot water and the addition of preservative, fragrance, and dye.

Mackconditioner CBC imparts conditioning, improved wet comb, and can be further enhanced by complementing the formula with other additives. Mackconditioner CBC is suitable for products ranging from mass market to premium and salon conditioners. Uses: Economy Hair Conditioner, Premium Salon Conditioner and Leave-In Conditioner

Information provided by Rhodia, Rhodia has been acquired by Solvay.
