

Solvay MACKSTATÂ® GCM Surfactant

Category : Fluid , Other Engineering Material , Additive/Filler for Polymer

Material Notes:

Product Description: Mackstat GCM is a formaldehyde, paraben and halogen free preservative system that provides broad range protection against gram positive/negative bacteria as well as yeasts and molds. Mackstat GCM combines a safe and globally accepted cosmetic preservative, methylisothiazolinone, with an emollient ester produced from vegetable feedstocks. Mackstat GCM is an easy to handle liquid that disperses readily in cold systems and is effective over a broad pH range. Solubility: Water-Dispersible; Ethanol-Soluble; Propylene Glycol-Soluble; Olive Oil-Dispersible; Butylene Glycol-Soluble; Glycerin-Dispersible; 10% SLES Aqueous Solution-Soluble Uses: Hair Conditioners, Skin Care Lotions and Shampoo Information provided by Rhodia, Rhodia has been acquired by Solvay.
