

Victrex® Vicote® F816 Black Polyetheretherketone (PEEK) Liquid Dispersion

Category : Polymer , Thermoplastic , Polyketone , Polyetheretherketone (PEEK)

Material Notes:

VICOTE® is the brand name for the Victrex range of coatings. VICOTE Coatings are available through Victrex or its preferred coater network. The VICOTE F815 and F816Blk grades have been specifically formulated to provide a coating that gives high wear and abrasion resistance combined with excellent release properties that are retained as the coating wears. These properties are retained at high temperatures where other release coatings would potentially fail. VICOTE dispersions have a low level of extractables..All information provided by Victrex.
